### Growlers To Go...

Our glass biersiphons (or "growlers" as we call them) come from Dortmund, Gemany. The brown glass growlers hold 2 liters of beer (almost a six pack worth), and are sealed with a porcelain head. We are proud of our beer & never use preservatives. Our beer contains only the freshest natural ingredients - for that reason our beer is best when consumed within a few days of purchase and easy to take home for \$18. Purchase the growler bottle & have it filled & refilled for only \$9.25-\$11.25.
